VIDEO DEMO

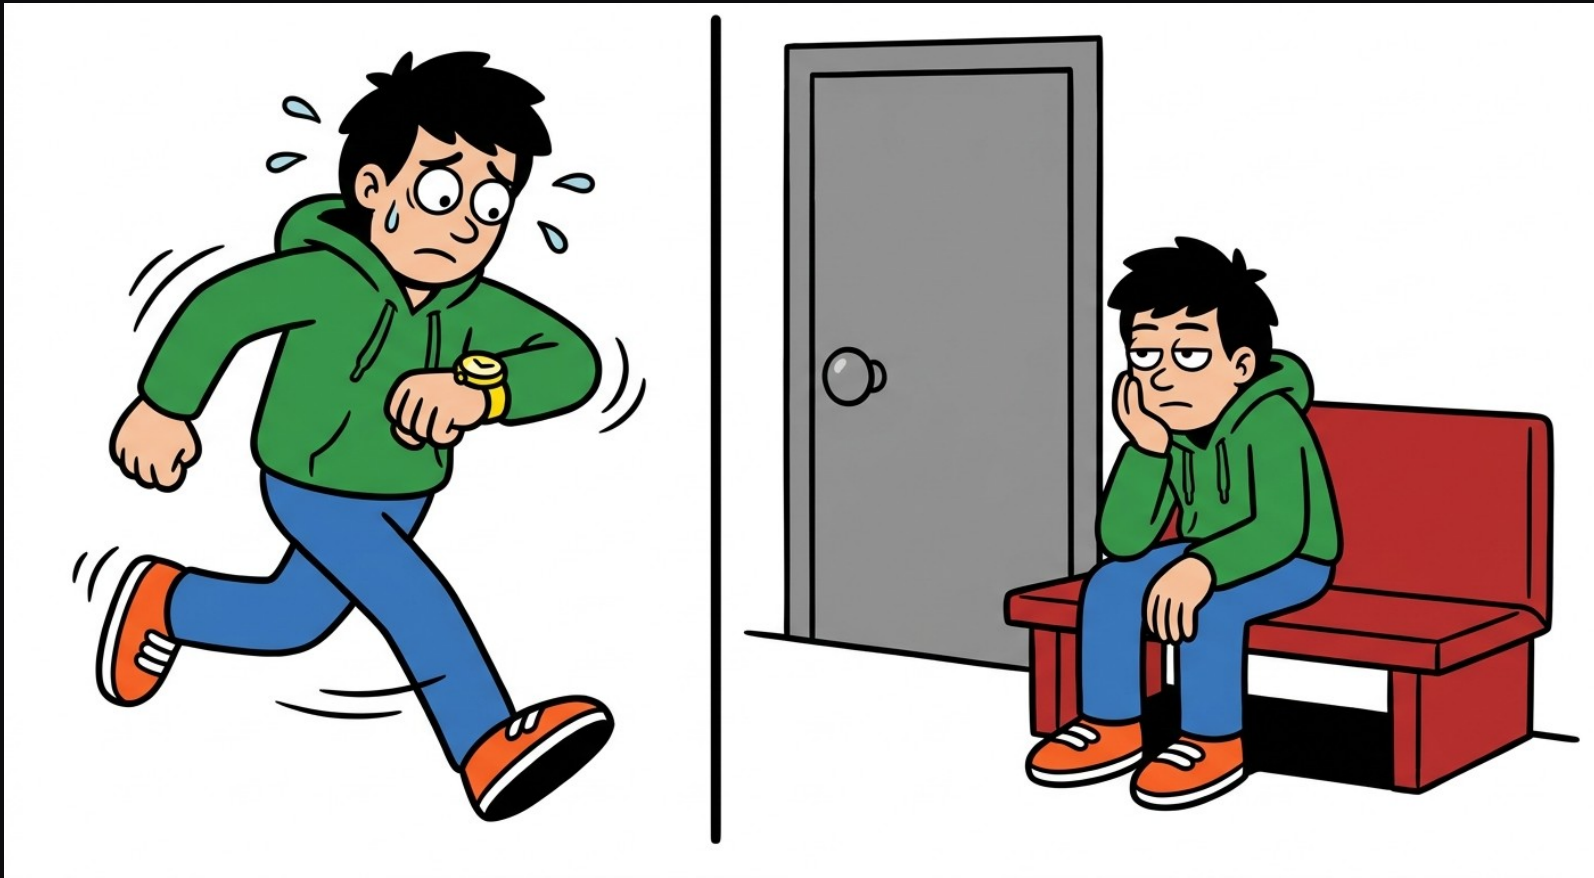

WARM-UP

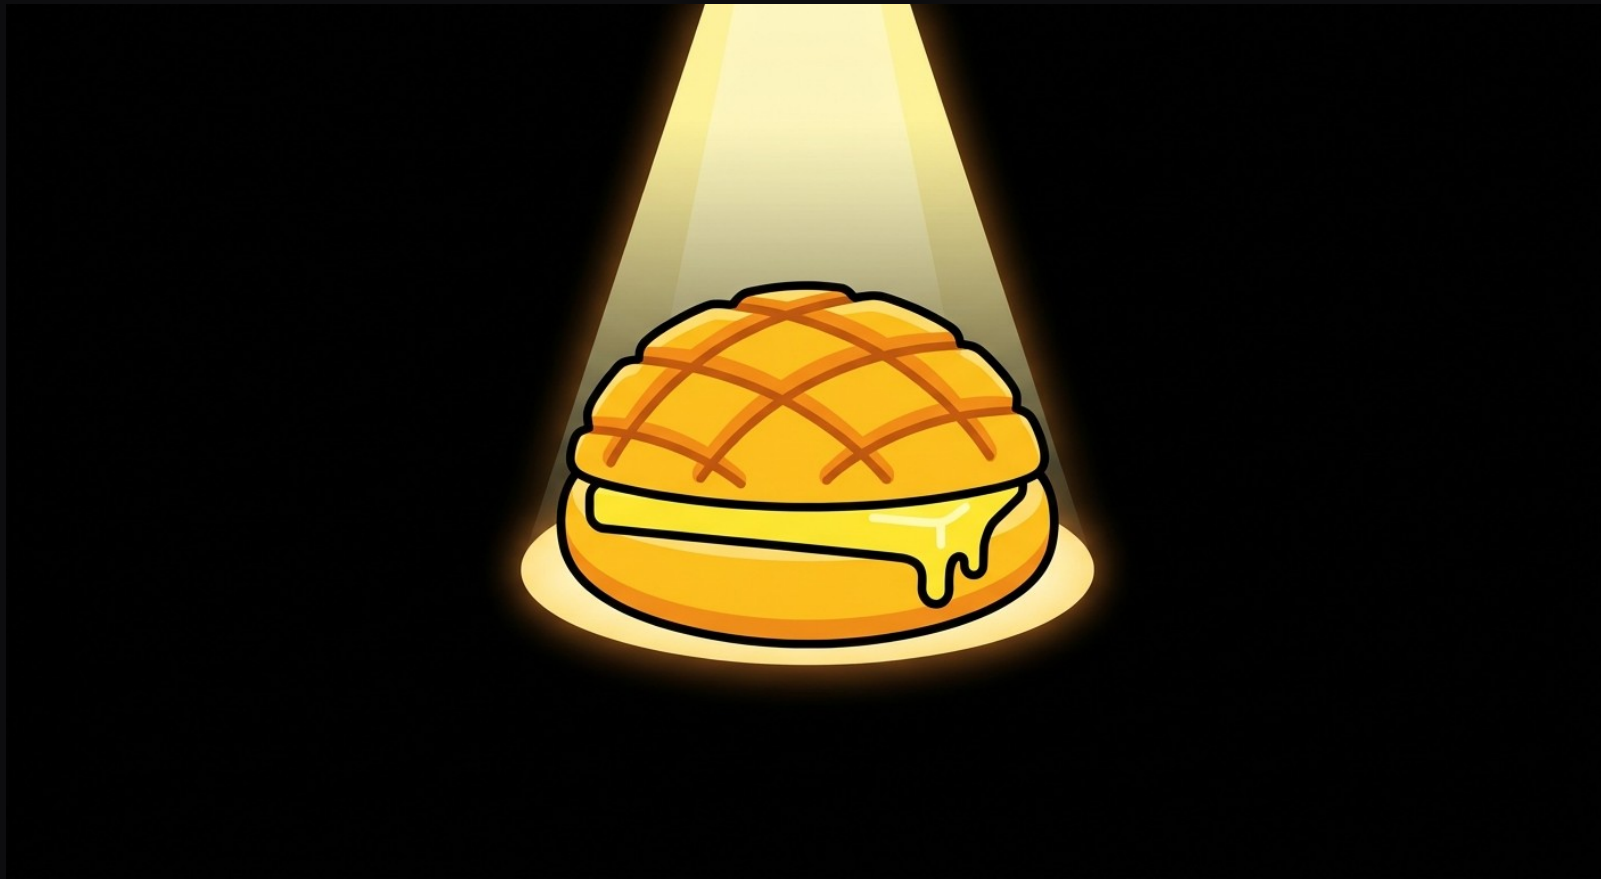

Congee or bread for breakfast?

Left: congee. Right: bread.

Would you rather always be five minutes late, or twenty minutes early?

Left: five minutes late. Right: twenty minutes early.

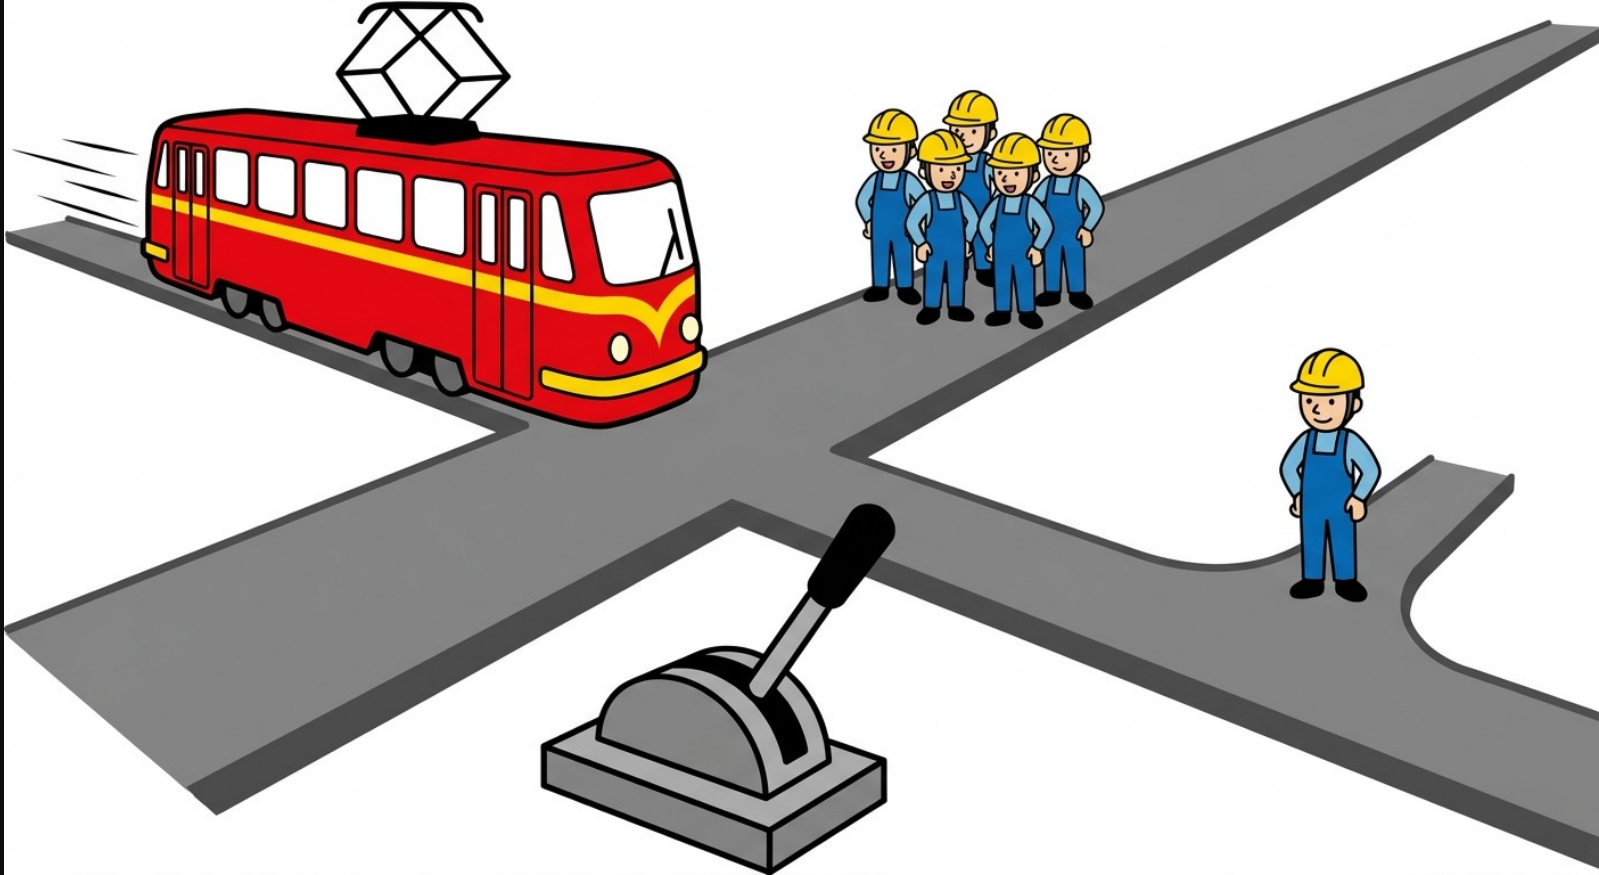

A pineapple bun must be served with butter.

Left: agree. Right: disagree.

MAIN ROUND

ROUND 1

A runaway trolley is heading towards five people. Pulling the lever will divert it onto a side track with one person.

Left: pull. Right: do not pull.

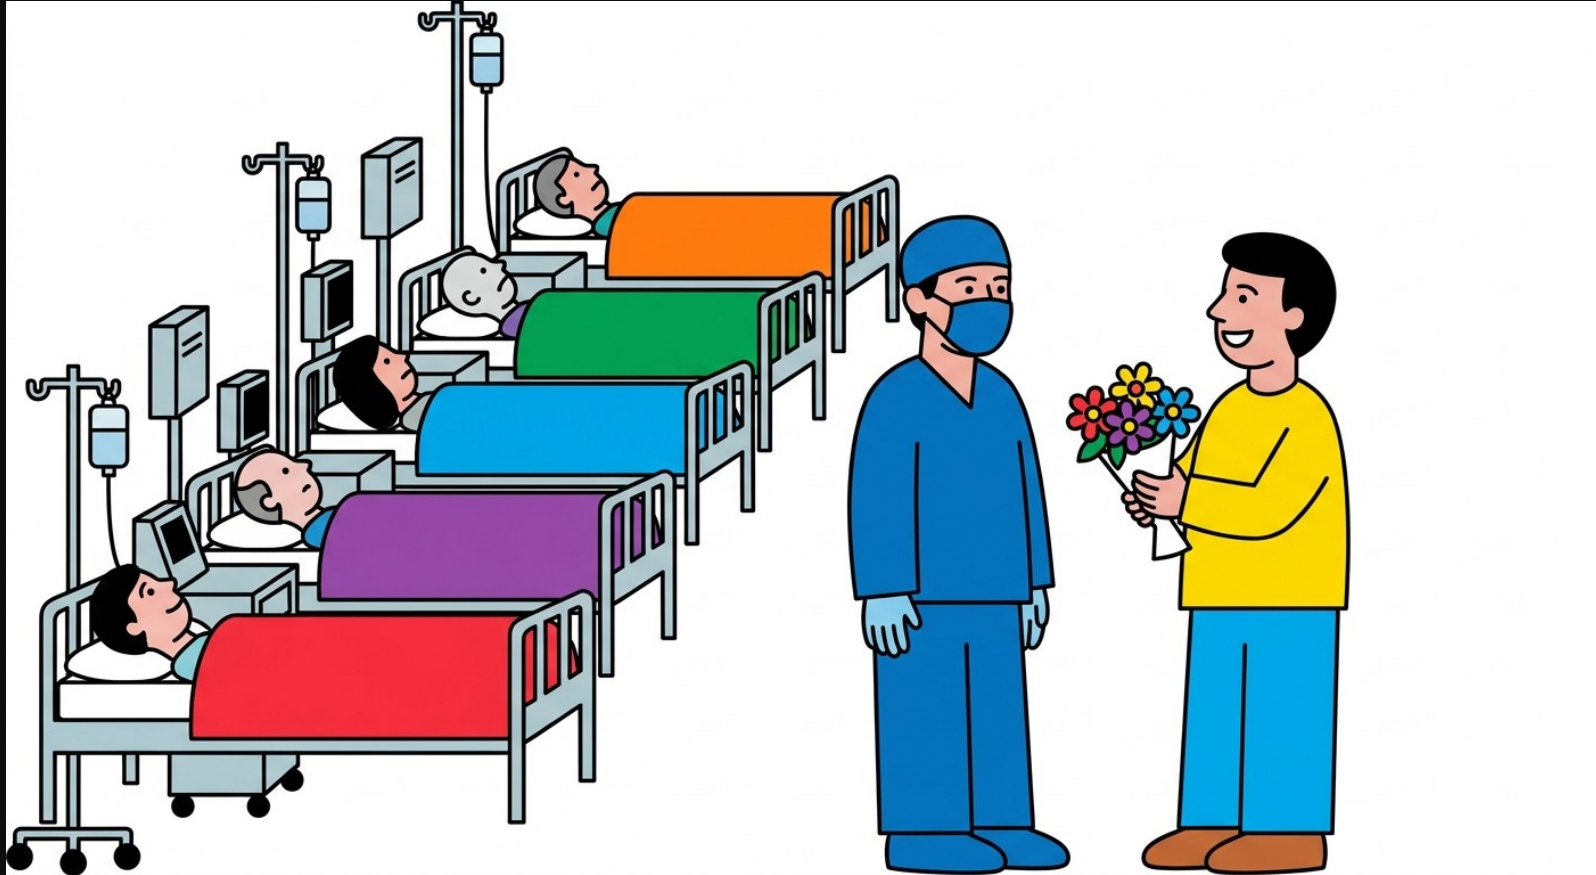

ROUND 2

A trolley is about to kill five people. Pushing a nearby stranger off the footbridge would stop it, but that person would die.

Left: push. Right: do not push.

ROUND 3

Five patients each need a different organ and will die today. Killing one healthy person could save them.

Left: kill. Right: do not kill.

ROUND 4

A parent steals a loaf of bread to feed a child who is close to starvation.

Left: find guilty. Right: do not find guilty.

ROUND 5

A parent steals a steak. The child is not at risk of starvation, but has not eaten meat for a long time.

Left: find guilty. Right: do not find guilty.

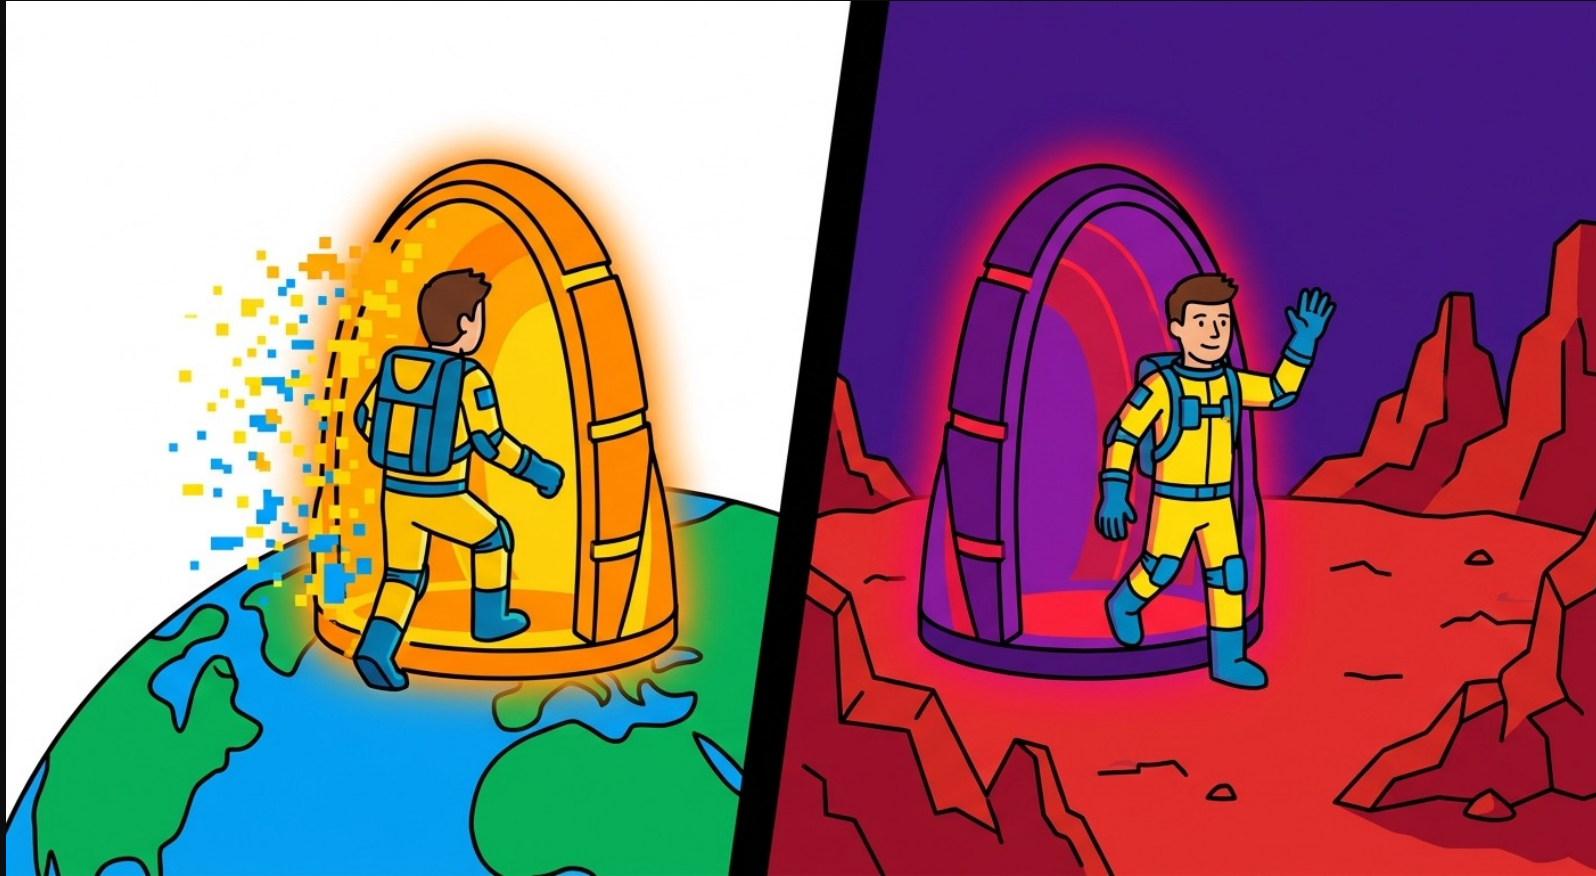

ROUND 6

A machine can give you everlasting bliss in a simulation, and you would never realise it is an illusion.

Left: connect. Right: do not connect.

ROUND 7

You are travelling to Mars. A teleporter will disassemble you and reconstruct you there.

Left: use it. Right: do not use it.

ROUND 8

A terrorist has hidden a bomb in the city that will kill 10,000 people. The bomb will stop only if the terrorist is killed.

Left: kill. Right: do not kill.

ROUND 9

A terrorist has hidden a bomb in the city that will kill 10,000 people. The bomb will stop only if a hostage is killed.

Left: kill. Right: do not kill.

ROUND 10

The government installs surveillance in every public place to prevent crime. The crime rate will fall sharply.

Left: support. Right: oppose.

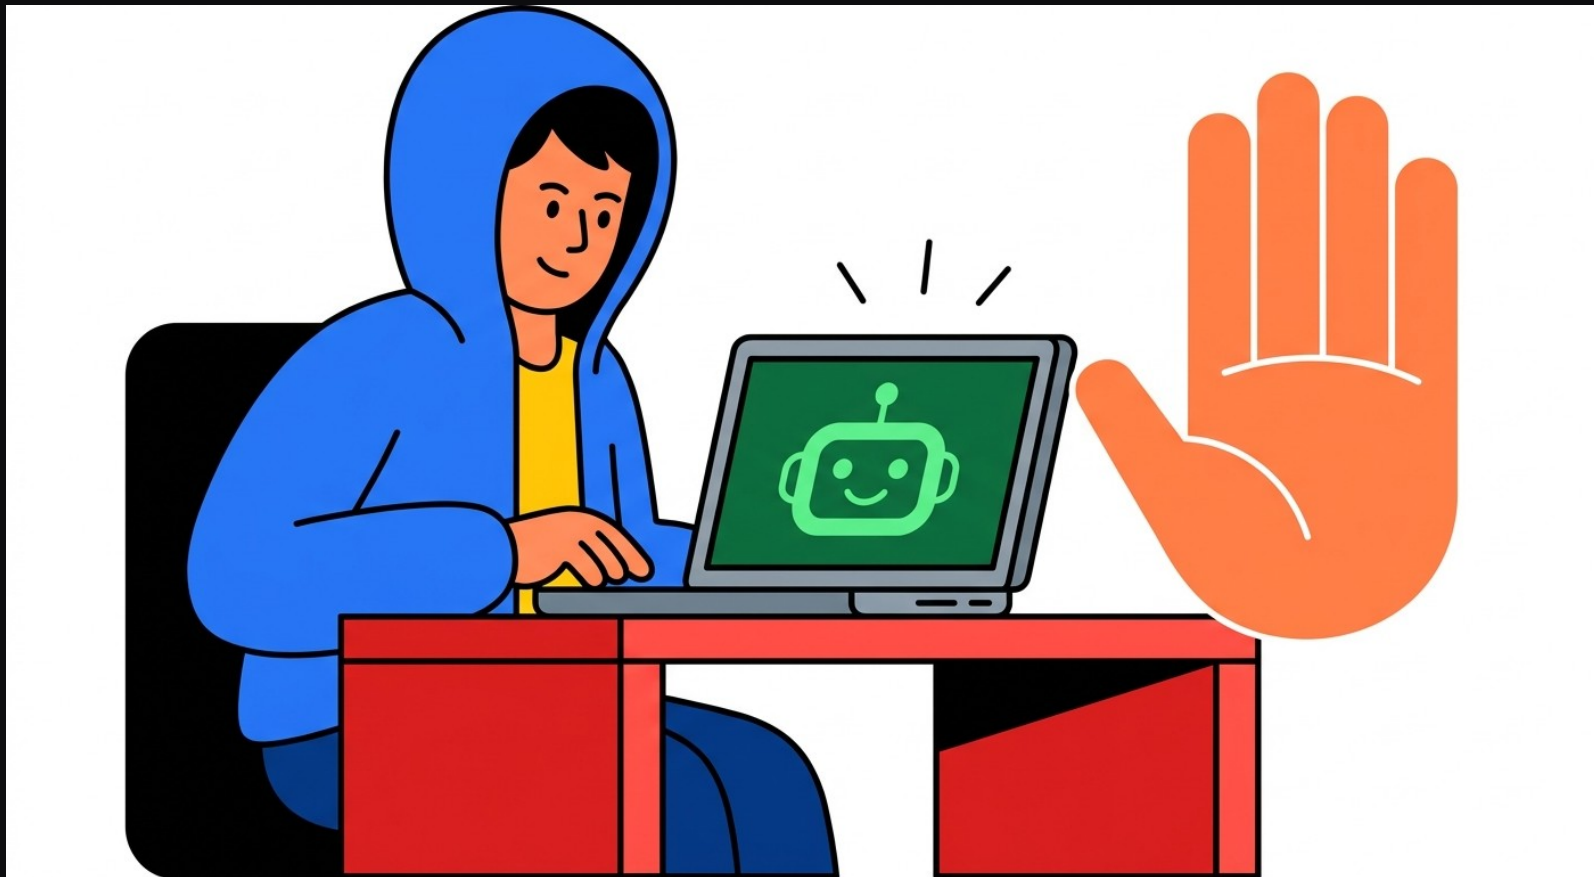

ROUND 11

The government monitors everyone's browsing history to prevent crime. The crime rate will fall sharply.

Left: support. Right: oppose.

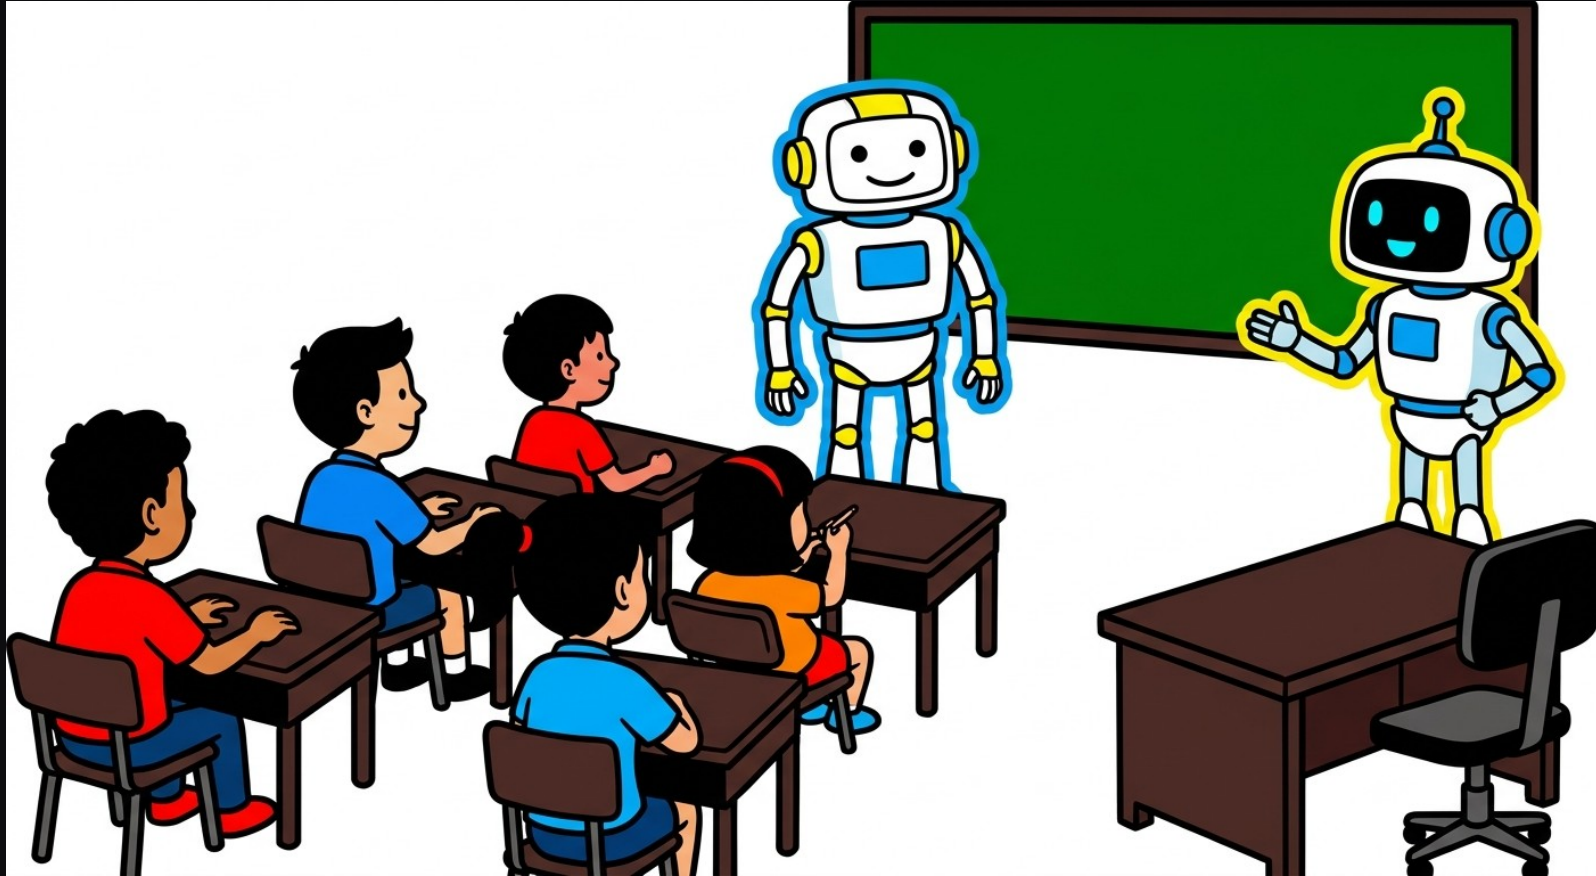

ROUND 12

Should secondary-school students use AI?

Left: yes. Right: no.

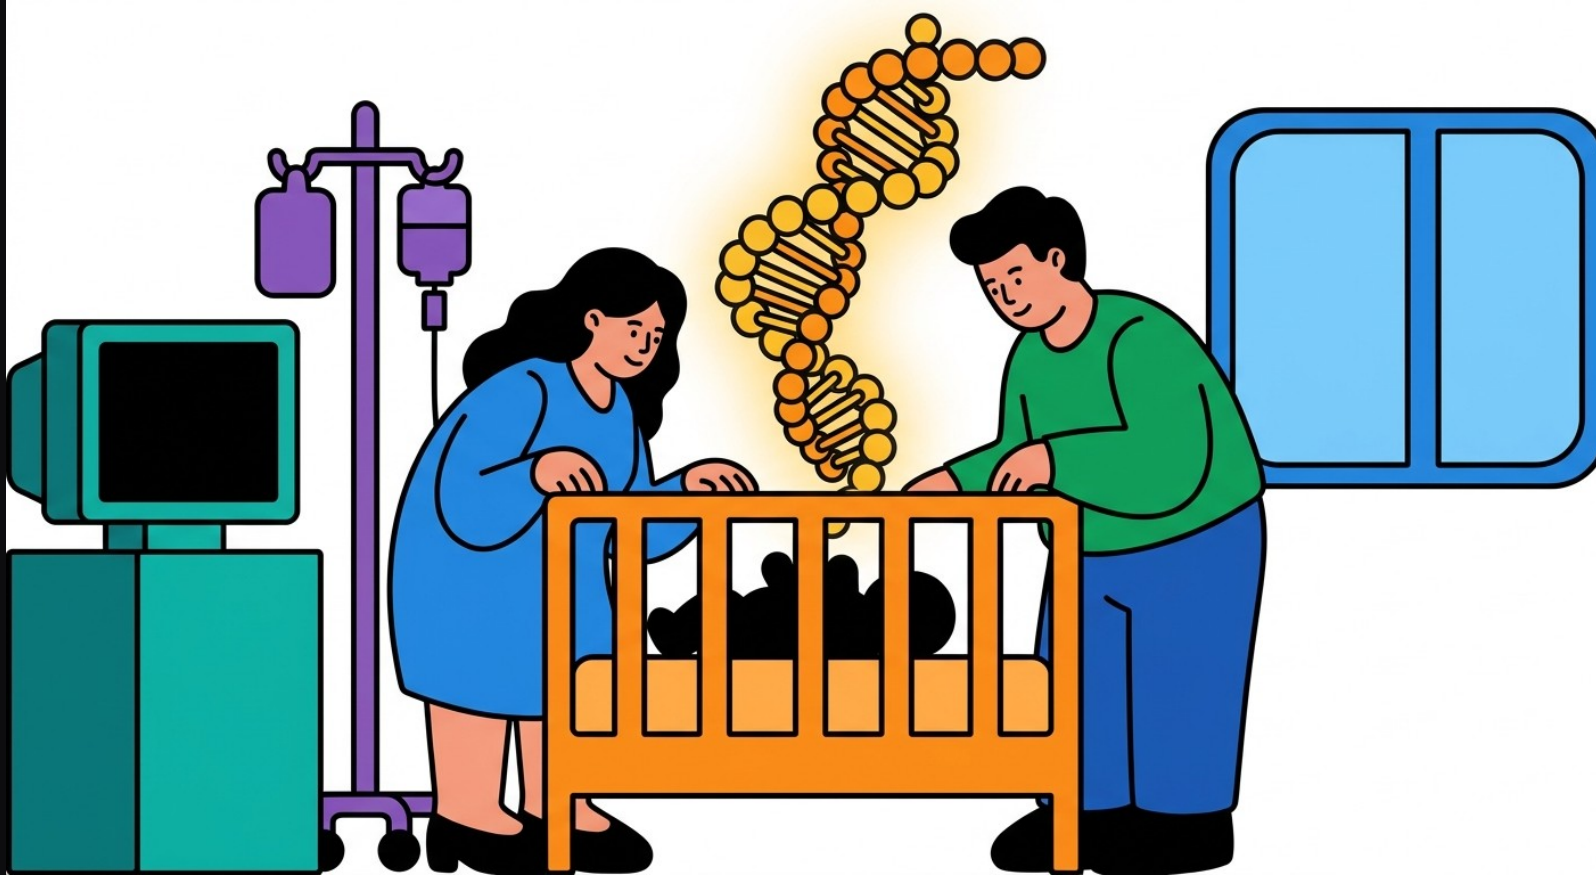

ROUND 13

Should secondary-school teachers be replaced by AI?

Left: yes. Right: no.

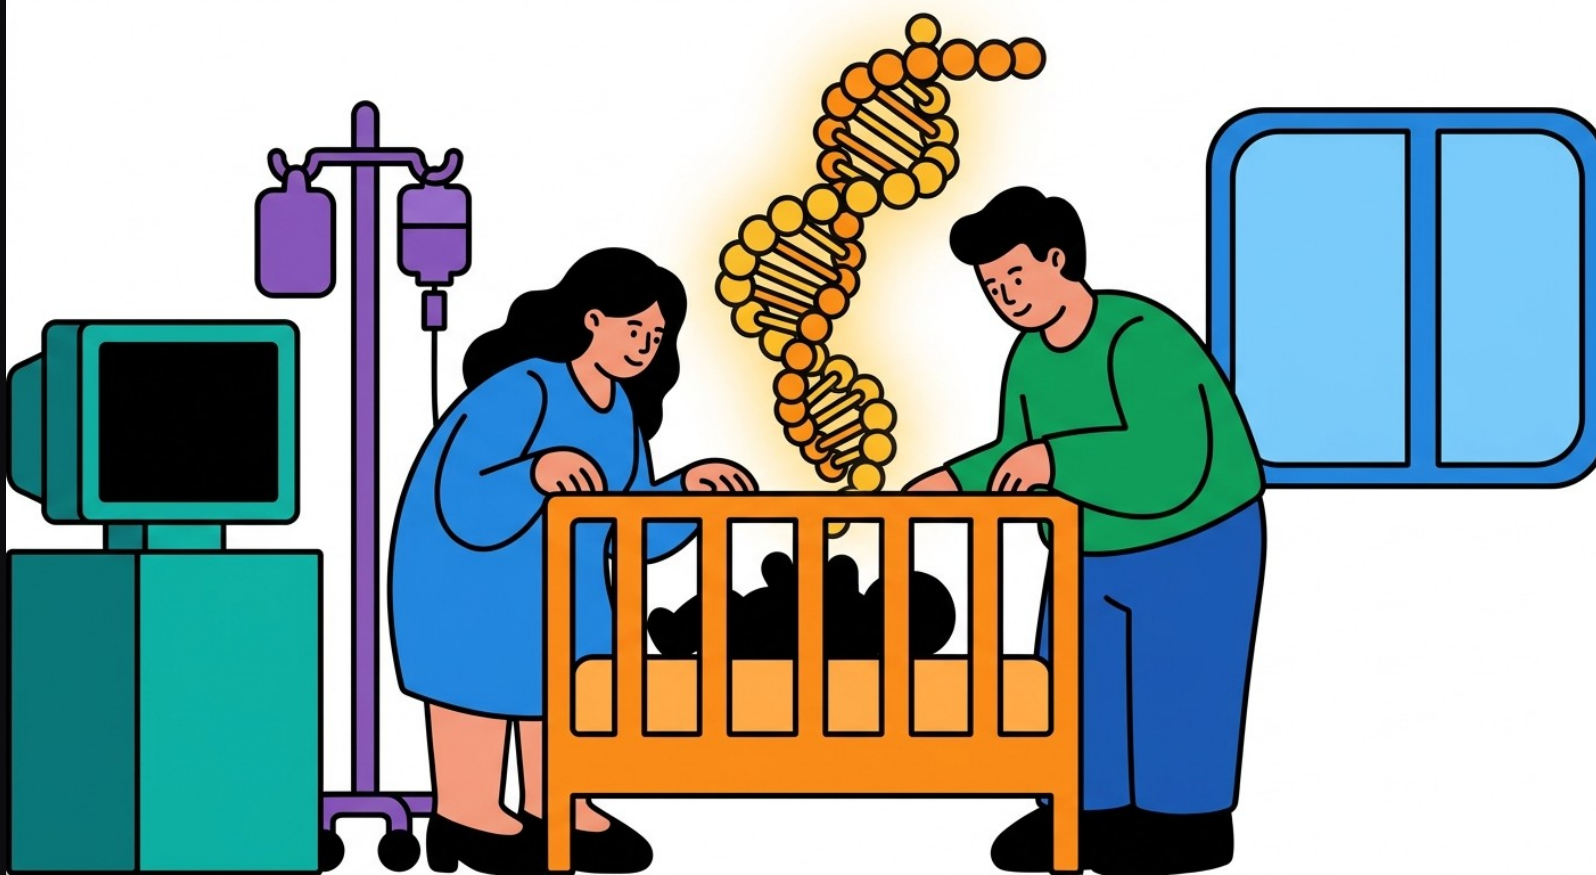

ROUND 14

A hearing couple learn that their embryo will be born deaf. They want to edit its genes so the child can hear.

Left: acceptable. Right: unacceptable.

ROUND 15

A deaf couple learn that their embryo will be born hearing. They want to edit its genes so the child will be deaf.

Left: acceptable. Right: unacceptable.

ROUND 16

A local candidate and an ethnic-minority candidate apply for the same job. The ethnic-minority candidate performs better, but the company hires the local candidate. Is this reasonable?

Left: reasonable. Right: unreasonable.

ROUND 17

A local candidate and an ethnic-minority candidate apply for the same job. The local candidate performs better, but the company hires the ethnic-minority candidate. Is this reasonable?

Left: reasonable. Right: unreasonable.

ROUND 18

A Hong Kong cha chaan teng displays a sign: “Local customers only.” Is this reasonable?

Left: reasonable. Right: unreasonable.

ROUND 19

A Japanese izakaya displays a sign: “Local customers only.” Is this reasonable?

Left: reasonable. Right: unreasonable.

ROUND 20

You have a pill. If you take it, you will feel completely at peace with every belief you hold and never be troubled by any question again.

Left: take it. Right: do not take it.
